Dear Parents:

At different times during the year we will require the generous assistance of parent volunteers for both school and Parent Council activities. If you are willing to volunteer, please indicate which activity you would be willing to help with. This is not a commitment to volunteer but an expression of your interests and availability that allows us to build a base to call on when organizers need volunteers, so don't hesitate to check off as many areas as **might** be suitable for you. There is another grid on the back for a second parent or family member (e.g. a grandparent) whose volunteer interests might be different from yours. Additional forms can be downloaded from the parent council website. Please return this form to your child's teacher by Monday September 30th.

Thank you

Shannon Tipping, Principal and Neil Arnason, Parent Council Co-chair.
